How to Experience Vibrant Growth

Grabbing a Vision for the Future ~ Part 3

Purpose: "Transforming Lives through Christ's message of forgiveness, purpose and hope."

WHAT IS THE ANSWER?

VIBRANT GROWTH

- We will be a church that embraces truth no matter how unpopular it may be in our culture. The Bible will always be our final authority in all matters (II Tim. 3:16). We will be a place where people grow and where those who are hurting, confused and broken find help, healing, and celebrate recovery (Luke 5:31-32).
- We will be a church that urges people on to be true Bible students- to grow from the "milk" of the Word and be a church that nurtures people from spiritual immaturity to teaching others (Heb. 5:12-14).
