PERSONAL DEVOTIONS:

1. What temptation(s) have you struggled with or given in to? Take some time to confess this to the Lord and receive His forgiveness.
2. We briefly looked at being a “nominal” Christian. In what ways have you seen nominalism working in your life?
3. In what ways have you been an encouragement to others through your ministry?
4. Take a moment to re-commit your life to Christ and “resolve” to follow him and serve him no matter what may come.
