

**Ways in Which All Sin is the Same:**

1. We all have the same great need – great sinners in need of a great Saviour
2. We all have the same great hope

**Ways the Bible Says Sin is Different** (from last week):

1. Struggling with sin versus living in sin
2. Some sins lead to death , some don't
3. God especially hates some sins

**Three More Ways the Bible Says Sin is Different:**

1. Believers are called on \_\_\_\_\_ some people  
(*Matthew 7:1, 16, 1 Corinthians 5:12*)

How are we to judge?

- (a) Without \_\_\_\_\_
- (b) With a readiness to \_\_\_\_\_
- (c) With the purpose to \_\_\_\_\_ , not attack (*Matthew 7:5*)

2. Different sins have \_\_\_\_\_  
(*1 Corinthians 6:18*)

3. The \_\_\_\_\_ sin  
(*1 John 2:23, Isaiah 1:18, Psalm 103:12*)

The greatest sin would have to be rejecting God's way. There is no other way...  
no other means of forgiveness available.
