Counter-Culture Living, Part 4 of 4

2. Jesus _____ and _____
(Luke 2:41-46)
3. Listening _____ People

Increase Your Influence of Presence:

1. Evaluate Your “ _____ ”
(Psalm 46:10)
2. Identify Your _____
3. _____ Occasionally

It might be culturally acceptable to place too much focus on devices, but remember culture is not our model. Jesus is, and if you want to be counter-cultural, we need to be like Jesus. Jesus valued, listened, and validated people. When He was with people, He was present with them completely. When He left, he promised to send us the HS who is ever present with us. Do you want to be more like Jesus?
