*Christian Essentials: A Practical Study  
on Systematic Theology, Part 7 (Romans 5:17-21)*

## 1. The \_\_\_\_\_

Sin is any failure to conform to the moral law of God in act, attitude or nature.

(a) \_\_\_\_\_

(b) \_\_\_\_\_ (*Exodus 20:17*)

(c) \_\_\_\_\_ (*Romans 5:8, Ephesians 2:3*)

## 2. The \_\_\_\_\_

Where did it come from? How did it come into the universe?

Two *wrong* conclusions:

(a) God somehow \_\_\_\_\_ (*Job 34:10, James 1:13*)

(b) There is an eternal evil power \_\_\_\_\_ to God.

The Origin of Sin addressed 3 Questions:

(c) What is \_\_\_\_\_ ? (*Genesis 2:17, 3:4*)

(d) What is \_\_\_\_\_ ?

(e) Who \_\_\_\_\_ ? (*Genesis 3:5*)

## 3. \_\_\_\_\_ Sin

(f) Inherited \_\_\_\_\_ (*Romans 5:12, 5:19, 5:8, 2:6, 5:19*)

(g) Inherited \_\_\_\_\_ (*Psalms 51:5, 2-4*)

The understanding of sin is essential in our world today.

Sin is our failure to adhere to the Creator's standard of righteousness.
